CHALDEAN AMERICAN LADIES OF CHARITY

Empowering people in need

COMMUNITY • IDENTITY • VALUE • DIGNITY • EMPOWERMENT

United Community Family Services (Chaldean American Ladies of Charity) has been supporting people in need since 1961, providing programs that guide and empower people to achieve self-sufficiency.

Chaldean American Ladies of Charity (CALC) is the longest standing human services agency in our community. Each year we help thousands of people, the most vulnerable members of our society, with food, shelter and basic needs. But our community needs more. CALC supports refugees, immigrants and first generation Americans through programs and services that empower and teach life skills like English as a second language and work readiness. Some of our programs are funded by grants. However, it is only through the generosity of our donors that we can sustain the organization and continue to support our community.
